Hi Elliott,

The USFS concurs with the boards decision to forfeit the reclamation bond for Steel Rose. The plan of operations has expired with the USFS and the operator does not wish to complete final reclamation at the site.

If you need anything else, let me know.

Amy,

Please see the Division's Notice of Hearing for Financial Warranty Forfeiture for the Steel Rose 1 (M-2006-031). I will provide you a copy of the Board Order from last week's hearing when it gets sent to the Operator.

As discussed, per our MOU-Section VII(D)(5)(f), could you provide me with the USFS's concurrence on forfeiture of these bonds prior to the board packet deadline of July 7, 2023.

Thanks and please let me know if you have any questions.
