**RE: King Coal Mine, Permit No. C-1981-035
1st Quarter 2023 Subsidence Monitoring Report**

Dear Mr. McCourt,

The Division of Reclamation, Mining and Safety (the Division) has reviewed the Subsidence Monitoring Report for the 1st quarter of 2023. The Division finds the report to be in compliance with the following Rule:

2.05.6(6) – The report indicated that no subsidence cracks or indications of differential settlement were observed on the Crawford Ranch or the Huntington Ranch properties during the 1st quarter. No other indications of damage were indicated in the report.

This concludes the Division's review of the 1st Quarter 2023 Subsidence Monitoring Report for the King Coal Mine. If you have any questions, please contact me at (303)-866-3567 x 8185 or clayton.wein@state.co.us.

Sincerely,

Clayton Wein
Environmental Protection Specialist
