Dear Mr. Scott:

As you know, we represent BURNCO Colorado, LLC (our “**Client**”) with regard to the DRMS Permit M1998-013, Application for Transfer of Permit and Succession of Operators (SO3).

Pursuant to the letter received by our Client from your office dated May 26, 2023 (“**Incompleteness Letter**”), we formally request one thirty (30) day extension of the deadline to provide the requested materials. This would extend the date the Incompleteness Letter provides to respond, July 25, 2023) to **August 24, 2023**.

Sincerely,
