**Re: Decision Date Extension Request #2 for 112 Construction Materials Amendment  
Application Package (AM-02), Chavers Mining Resource - Permit No. M-2015-030**

Mr. Scott:

Asphalt Specialties Co., Inc. (ASCI) respectfully requests a second 90-day extension to the current 112 Construction Materials Amendment Application Package (AM-02) decision date from August 2, 2023 to **October 31, 2023** for ASCI's Chavers Mining Resource - Permit No. M-2015-030. The extension is necessary to adequately address all concerns identified in the Preliminary Review Letter dated March 21, 2023. ASCI anticipates submitting adequacy responses to the Division by October 17, 2023 (two-weeks prior to revised decision date) to allow the Division sufficient time to review.
