Project P.J., File No. M-2018-007**

Dear Mr. Conway,

On May 26, 2022, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date of the Amendment Application (AM1) for the Project P.J., Permit No. M-2018-007, by 30 days. As AM1 is tied to Acreage Reduction (AR1), whereas an inspection is required to be conducted for releasing Mining Area #3 to account for the additional acreage proposed in AM1, the Division hereby approves the extension request and a site inspection will now occur on or before June 30, 2022. In accordance with Rule 4.17.2(5), the decision regarding AR1 will be made on or before July 30, 2022. Therefore, the decision date for AM1 has also been set for **July 30, 2022**.
