RE: M1990-057-Leadville Mill | Request for Extension, CN2 Adequacy Review

Dear Mr. West,

Thank you for your letter received July 7, as well as your time last week to discuss our permit application. Based upon our discussion, UMC (and CJK) will require additional time to prepare responses, and request the Division grant us an extension to February 13th, 2024.

Please contact me for additional information or clarifications. I may be reached by phone at 303-947-3499, nmichael@unionmilling.com.

Sincerely,
