Ms. Mayer-Shults:

On July 27, 2023 the Division of Reclamation, Mining and Safety (Division) received your notice to revise the permit status on the above listed site to Temporary Cessation effective July 18, 2023. Your Notice of Temporary Cessation is considered complete and filed.

When the revised financial warranty has been posted and approved by the Division, The Notice of Temporary Cessation will be acknowledged in the monthly activity report attached to the agenda for the September 20-21, 2023 meeting of the Mined Land Reclamation Board unless a written, timely objection is filed by a person directly and adversely affected or aggrieved as defined by Rule 1.1(38) of the Construction Materials Rules.

If objections are received by Monday September 18, 2023 the Division will place the Notice of Temporary Cessation on the regular agenda for the October 18-19, 2023 meeting of the Mined Land Reclamation Board. During that meeting the Board will consider whether or not to accept the Notice.
