Good Morning Sara,

I hope this email finds you well.

Please provide instructions on submitting a CD for our warranty increase to the state.

We had initially worked with the idea of doing a line of credit from our financial institution. That is still being worked on, but it's been a longer process than expected to increase our LOC and accommodate our warranty increase. In the meantime, we would like to proceed with a CD as an option to increase our warranty to avoid any other potential delays or penalties from the state on this.

I look forward to hearing from you. Thank you for your assistance.
