RE: Two Rivers M1998-038

Ms. Michels,

Fremont Paving and Redi Mix, Inc would like to request the withdrawal of the Technical Revision submitted on July 12, 2023 for the above-referenced site. Fremont Paving and Redi Mix, Inc. would like to ask for a 6-month extension on the compliance issues found during the inspection following the Succession of Operation application submittal.

Fremont will need this time in order to contact several landowners, utilities and Pueblo County Road and Bridge Department to discuss the current and proposed boundaries of the site. Additionally, all items in the inspection report will be addressed and corrected through this amendment and make the permit accurate to current conditions and cleaner to track for both the Division and the Operator.

If further information is needed to approve this request, please feel free to contact me.

Thank you,

*Jodi Schreiber*
