**RE: Nissan Farm Resource, Permit No. M-2003-001, Succession of Operators (SO2),  
Notice of Denial**

Mr. Oestreich,

On August 7, 2023 the Division of Reclamation, Mining and Safety (Division) denied the Succession of Operators from Bestway Concrete Company to BURNCO Colorado LLC. The Division did not receive the items listed in the June 1, 2023 Notice of Incomplete Application for Transfer of Permit and Succession of Operators by the July 25, 2023 deadline.

Bestway Concrete Company is still the permitted Operator of the Nissan Farm Resource site, and as such, is responsible for all provisions in Permit M-2000-082, as well as those specified in the Rules and Regulations.
