**RE: New Horizon 2 Mine, Permit No. C-1981-008
Technical Revision No. 107 2nd Adequacy Review**

Dear Mr. Tennyson,

The Colorado Division of Reclamation, Mining and Safety (the Division) received the New Horizon 2 Mine's submittal of adequacy responses on July 31, 2023. The adequacy response that was provided satisfied the Division's adequacy item. No further adequacy items have been identified with this Technical Revision Application. No further comment letters have been received by the Division. The public comment period ended on August 4, 2023 at 11:59:59 PM.

This concludes the Division's adequacy review for the New Horizon 2 Mine's Technical Revision No. 107 application. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Clayton Wein
