I would like to have the one Quarry Road as the Mine address only. Thanks for checking.

Hey Rob,

Do you want this to be the new address for the permittee, Young Ranch Resources LLC? This will forward all correspondence from DRMS to the mine site.

Or, do you want to keep 5455 Ulysses St as the permittee address and just include the 1 Quarry Road address as the mine site address?

Good morning Brock,

I received notice from Central city this morning, that the official address for the site is:

1 Quarry Road
Central city, Colorado 80427

Please let me know if I need to do anything to update this in your system.
