Good Afternoon Mr. Bishop,

We are looking to put off the next blast, shot #13 on Wednesday August 23rd, 2023 between our permit hours for blasting pending weather and or mechanical issues. We are estimating that the blast will take place at approximately 12:30 pm. This will be a shot on Bench 4 at the far West end of that bench. We will contact you an hour prior to shot time so that you can prepare for the shot. Should anyone have any questions, please feel free to contact me.

Have a great weekend,

Wayne Stoughton
