**Re: Kagie Gravel Pit - File No. M-1979-
102; Notice of Withdrawal of Surety
Increase No. 3**

Dear Randy Foster:

On May 3, 2023 the Division of Reclamation, Mining and Safety (Division) increased the current Financial Warranty for this permit to \$31,125, in accordance with Rule 4.2.1 of the Rules and Regulations. On August 15, 2023, the Operator submitted a Technical Revision (TR-3) to update and clarify the Mining and Reclamation Plan. The Division approved TR-3 on August 29, 2023. The changes to the approved Mining and Reclamation Plan have resulted in a reduction of the required amount of financial warranty.

Therefore, the Division has withdrawn Surety Increase No. 3.
