RE: Amendment (AM-2) to Construction Materials Regular 112c Operation, Adequacy Review-1

Greetings,

We wish to request an extension to complete Adequacy Review-1. We wish to request a deadline of October 15, 2023, which should allow us time to update maps and provide additional information as required in the Adequacy Review.

Thank you for your consideration of our request for an extension.

Sincerely,

A handwritten signature in black ink, appearing to read 'Katie L. Conrado', with a long, sweeping horizontal line extending to the right.
