Dear Craig Howell:

On September 21, 2023 the Division of Reclamation, Mining and Safety increased the current Financial Warranty for this permit to \$21,527.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$3,315.00.

Please see the August 30, 2023 inspection report for details regarding why this surety increase is required.

The Division ordered amendment of the current Financial Warranty, or submittal of a new Financial Warranty reflecting the increase, within 60 days from the date of this letter (September 21, 2023).

Please make arrangements with Sara M. Stevenson-Benn at the Division's Denver office for submittal of the financial warranty. Any other questions regarding completion, execution and/or submittal of financial warranty forms should also be directed to Sara M. Stevenson-Benn by telephone at (303) 866-3567 (8148), or by email at [Sara.stevenson-benn@state.co.us](mailto:Sara.stevenson-benn@state.co.us).

The Permittee for this site may be scheduled for a Formal Board Hearing for possible revocation of the permit after November 20, 2023, if the amount of any increased Financial Warranty has not been provided.
