Amber,

The problem is being resolved but apparently, we need an additional 30 days for the removal of the noxious weed Tamarisk.

Once the issue is resolved, we will advise you.

Thank you.

Ellen

Ellen,

Thank you for submitting this request. To clarify, are you requesting a 30 day extension from the September 30, 2023 due date, bringing the new due date to October 30, 2023? Or from today's date, bringing the date to November 11, 2023?

Thanks,

Amber,

To be on the safe side lets use the extension from today's date to make sure that this is corrected.

Appreciate your help with this.
