**Re: Decision Date Extension Request #3 for 112 Construction Materials Amendment
Application Package (AM-02), Chavers Mining Resource - Permit No. M-2015-030**

Mr. Scott:

Asphalt Specialties Co., Inc. (ASCI) respectfully requests a third extension to the current 112 Construction Materials Amendment Application Package (AM-02) decision date from October 31, 2023 to **February 2, 2024** for ASCI's Chavers Mining Resource - Permit No. M-2015-030. The extension is necessary to adequately address all concerns identified in the Preliminary Review Letter dated March 21, 2023. ASCI anticipates submitting adequacy responses to the Division beginning in November 2023; however, the new decision date is being requested to negate the need for additional extension requests to be submitted prior to expiration of the 365-day review period allowed by statute.
