Dear Ms. Mikulas,

On October 25, 2023, the Division of Reclamation, Mining and Safety (Division/DRMS) received your request to extend the due date for submitting a Technical Revision to evaluate how Ponds E1 and E2 will safely convey the expected 100-year flood event at the Home Office Mine, Permit File No. M-1977-439. A commitment was made, during the review of Amendment 4, specifically comment 39, which had the original due date for submitting the Technical Revision to be August 28, 2023. The Operator is requesting an extension to the due date from October 30, 2023 to January 15, 2024. **The Division hereby approves the extension request to January 15, 2024.**
