Re: Extension Request, Leone Gravel Pit #2, M-2006-085, Inspection Problems

On October 26, 2023, the Division of Reclamation, Mining, and Safety received an extension request to allot time for the Operator to resolve the inspection problems cited in the Division's September 2023 Inspection Report. The request is for a 30 day extension from the current October 26, 2023 deadline.

The Division approves the extension request, the new inspection problem resolution deadline is set for **November 25, 2023**.
