Good afternoon,

Attached for your records is a copy of the Division's second adequacy review for your technical revision 2 (TR2) request. Please review the document and respond prior to the decision date. The decision date is set for October 27, 2023.

Thank you,

Amber Gibson (*formerly Michels*)
Environmental Protection Specialist

Thank you, Amber.

Fremont would like to only bond for the 4831 acres of maximum disturbance. As the additional internal haul routes will not be utilized until the proceeding phases are opened, it is not necessary to bond them at this time.

Thank you,

Jodi Schreiber

Hi Jodi,

Just to clarify for the record, did you mean '48.1' in your previous email?

Thanks,
