Good Afternoon Mr. Bishop,

We are looking to put off the next blast, shot #17 on Tuesday October 31st, 2023 between our permit hours for blasting pending weather and or mechanical issues. We are estimating that the blast will take place at approximately 12:30 pm. This will be a shot on Bench 4 at the west part of that bench by the canyon side. We will contact you an hour prior to shot time so that you can prepare for the shot. Should anyone have any questions, please feel free to contact me.
