Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Revise reclamation map/bond reduction request

Short description

Narrative Description of Revision * (?)

The purpose of this TR is to revise the reclamation map to show uplands rather than open water in the north area of the site. The south area is very similar to the 2005 reclamation map: the area slopes gently from Brighton Road westward to the South Platte River. Grading and seeding are complete.

Detailed description used for notifications
