Re: Permit No. M-1980-244; Cripple Creek & Victor Gold Mining Company; Cresson Project; Surety Accounting Update SA9 to Technical Revision 115 – Vision Zero Electrification Ecosystem Project Offices

Dear Mr. Russell:

Newmont Corporation's Cripple Creek and Victor Gold Mining Company (CC&V) hereby provides the Division of Reclamation, Mining and Safety (DRMS) Surety Accounting Update SA9 to Technical Revision (TR) 115; Vision Zero (V0) Electrification Ecosystem Project Offices.

Background:

This submittal is to bring on temporary project offices and Conex's in the support of the V0 Electrification Ecosystem Project, which will deploy the first electric powered haul truck of it's kind. Two temporary offices (12X50) and two Conex (8X40 and 8X20) containers will be placed on site to support projects personnel and equipment. Please see the location map in Attachment 1.

Stormwater Controls:

Stormwater management for the area will be in accordance with CC&V's Stormwater Management Plan, utilizing best management practices.

Schedule:

The offices and Conex containers will be brought on site upon DRMS and Teller County approval.

Financial Warranty:

Once project initiation is complete, the offices and Conex containers will be removed from site.

The estimated reclamation cost for the project is \$10,602.54. This brings the total liability amount to \$208,785,723.80, which CC&V will account for out for the surplus financial warranty. This will bring the surplus financial warranty to \$705,464.80
