RE: Cedar Point Picture Rock Quarry, Permit No. M-2004-048, Surety Release (SL-1), Concurrence

Dear Mr. West:

On November 6th, 2023, the Bureau of Land Management (BLM) Tres Rios Field Office (TRFO) received your letter regarding the surety release for the Cedar Point Picture Rock Quarry (Dougherty Pit) (COC073839) in San Miguel County, Colorado. The total bond amount is \$7,321.00.

The site was inspected in a joint inspection with the Colorado Department of Reclamation, Mining, and Safety, the BLM TRFO Geologist, and the proponent on October 18th, 2023 and the site was found to be sufficiently reclaimed for bond release.

This letter provides concurrence from the BLM TRFO to the Colorado Department of Reclamation, Mining, and Safety on the Surety Release Request. If you have any questions, please contact Bridget Wade, TRFO Geologist, at (970) 385-1342 or bcwade@blm.gov.

Sincerely,

Ryan Joyner
Acting Field Manager
