Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Heintzelman Project (Pit 116) Technical Revision
Short description

Narrative Description of Revision * (?)

The purpose of this Technical Revision is to provide updated text and maps for the Heintzelman Project (Pit 116) Mining and Reclamation Plans to reflect the current changes from the originally approved permit in 2009. Specifically, modifications to Tracts A, B and C have been addressed.
Detailed description used for notifications
