Person(s) contacted and affiliation: Greigg Newlon

Summary:

On November 3, 2023, the DRMS received two letters from R. E. Monks Construction Co. containing identical requests selecting portions of all three options on the Performance and Financial Warranty Release Request Form. I contacted Mr. Newlon by phone to confirm the intent was to request a Surety Release, which he did. He also clarified the “80 acres” filled in on the acreage reduction line in the form was for the property formerly owned by R.E. Monks and not the permit area.
