**Re: Decision Date Extension Approval, 110d Hard Rock Amendment Application
London Mine, File No. M-2023-015**

Joseph Harrington,

On November 15, 2023, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date deadline of the 110d Hard Rock Designated Mining Limited Impact Operation Reclamation Permit Amendment Application for the London Mine, File No. M-2023-015, to November 27, 2023. The Division hereby approves the extension request to **November 27, 2023**.

If you have any questions, please contact me by telephone at 303-866-3567 x8132 or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
