To: Leigh Simmons - DNR <leigh.simmons@state.co.us>

Hi Leigh,

After reviewing the documentation recently submitted for the above referenced undertaking, we require additional information in order to understand the proposed activities. Could you please provide a kmz or ArcGIS shapefile of the project location? Further, could you please provide any information on additional surface infrastructure (i.e. ventilation or access roads) that may be needed for the proposed change in mining?

Thank you,

Matthew Marques**Section 106 Compliance Manager**
