Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Change post mining land use to general agriculture
Short description

Narrative Description of Revision * (?)

On December 2, 2016, DRMS approved a reduced bond to include only revegetation and mobilization/demobilization. The new owners wish to use the pit area for various general agriculture purposes in their ranching operations. We request a change from rangeland to general agriculture and no revegetation
Detailed description used for notifications
