Good Morning Mr. Bishop,

We are looking at putting off a shot at RCQ next Wednesday, December 6<sup>th</sup>, 2023 pending weather and or mechanical issues. This will be shot #19 on Bench 5 Southeast end of the bench. I am estimating that this smaller shot will be ready to blast between 11:00 am and 12:00 noon. Once we get within the 1-hour window for blasting I will give you a call so as to prepare for the shot. Should anyone have any questions please feel free to contact me.
