Hi Amy-

We will not be contesting any of the surety bond increases for the East Douglas, Woodring, Sunnyside and the Soaring Eagle Pits. Also attached is a photo of the requested signage for the Woodring Pit.

I will get with you after the 1st of the new year.

Merry Christmas!

Jim

This message originated from outside your organization

Hi Jim,

Just checking in to see if you guys had any comments or objections to my bond calc? I had Monday Dec 18 as the response date on my calendar. I've attached is again just in case you want to give it a quick once over before getting back to me. Hope you guys are hanging in there and that Mels treatments are going well. Merry Christmas!!

Jim,

Attached is a draft of the proposed SI-2 for the East Douglas Pit. I adjusted it to reflect current site conditions since the previous bond based on permit worst-case is unrealistic. Since its been a long time it still went up with inflation a little bit. Let me know what you think by December 18.
