Subject: Twin Buttes Land Co. - Consent to Access Property

Scott,

Spoke with Owen Robertson, one of the owners of Twin Buttes. They are agreeable to the property inspection on December 11 between 10:30 and 2:30. We can sort of the specific arrival times and meeting points later.

Also, I did confirm that the materials used are solely internal to Twin Buttes and are not being sold commercially. If time allows for you next week, I'd love to speak with you about what that means for permitting since I think the only issue that would implicate the need for a permit would be the possible use of county roads to access differing parcels that make up Twin Buttes. The costs of permitting might exceed buying materials commercially and thus ceasing would be the better economic decision.

Thanks,

Richard E. Lane
