Dear Mr. Roberts,

Thank you for the request for an extension of the SL24 decision date. DRMS extended the decision to 31 January 2024.

Best Regards

Ms. Reilley,

Please extend the decision date for SL-24 until January 31, 2024. Per your last correspondence Trapper will send a response to your adequacy concerns after the first of the year, but at this time the acreage discrepancy has not been easily rectified.

Thanks,
