Ok, will you please update the release application, sign it, and email it back to me. It needs to be correct on the application before I can call it complete.

Hi Rodney.

I'm reviewing the address for the surface owner, Kelly Kuntz. We need an address so we can mail the notice to her. You gave me a number range 18068-18498 County Road 40. Is that the correct mailing address for her?

Nikie, good morning.

I have corrected the 2-items listed on the incompleteness letter, I have attached it on this email. Do I need to send another copy certified mail?

Thanks for your help on this.

Hello Jeff.

Please see the attached incompleteness letter for the Bollish Pit release application. The surface owner information is incomplete. Pursuant to Rule 4.17.1, the application requires an address and a phone number for the surface owner. Additionally, there is a discrepancy in the surface owner's address. The county assessor tax information lists the street address for the surface owner as 19605 CR 37.5. Please update and revise the form as necessary and resubmit the application.

Please email the revised application form to me rather than resubmitting it through epermitting.

Feel free to contact me if you have any questions.

Kind regards,

--

REQUEST FOR FULL OR PARTIAL RELEASE OF PERMIT AREA/SURETY REDUCTION

Please indicate if you are requesting:

FULL/FINAL RELEASE OF ENTIRE PERMITTED AREA (per Rule 4.17)

ACREAGE REDUCTION (PARTIAL RELEASE per Rule 4.17)

I wish to release 40.32 acres at this time.

You will need to submit with this request: a map showing the acreage to be released from the current permit and updated mining and reclamation plan maps that will accurately depict the new permit boundary if the release is approved.

SURETY (Bond) REDUCTION (per Rule 4.14)

If you are requesting a surety (bond) reduction you will need to include with this request a new estimate of the actual cost to reclaim the site based on what it would cost an independent contractor to complete reclamation, including unit costs for reclamation activities as appropriate to the operation to comply with the provisions of Rule 3.1 and the Permit's approved Reclamation Plan.
