Re: Larsen Pit; M-2023-036 Extension Request

Dear Ms. Gagnon:

This letter corresponds to the aforementioned (112) Construction Materials Reclamation Permit Application for consideration in Cheyenne County, Colorado. We are requesting an extension for the preliminary adequacy review because we have not received the engineer report from the engineer that pertains to the request of the Union Pacific Railroad. We are requesting an extension date of February 1, 2024 to have ample time to receive the engineer's report.

Thank you for your time regarding this matter. If you have any questions or concerns, please do not hesitate to contact this office at the address, phone number or email address listed above.

Sincerely,

Marcy L. Brossman  
Cheyenne County Administrator
