Good morning Ken,

We are looking to schedule the next shot at RCQ, the first for the 2024 season on January 18<sup>th</sup>, 2024. Between the permit hours of 8 am to 3 pm, I am estimating that we will be putting this shot off around 1 pm pending weather and or mechanical issues. I will be contacting you an hour before the shot time so that you may prepare for the blast. This shot will be on Bench 4 on the far Northwest end of that bench.

Should anyone have any questions or concerns, please feel free to me.
