Request for Decision Date Extension**

Dear Mr. Cazier,

Per our letter of December 21, 2023 regarding an extension for the Adequacy Response it is Holcim's plan to submit the Adequacy Responses by January 31st, 2024. In order to allow sufficient time for the Division to review the responses we respectfully request that the Decision Date be extended until February 15th, 2024.

Should you have any questions or concerns, please do not hesitate to contact me at (719) 429-5566 or by email at mike.toelle@holcim.com. Thank You for your attention to this request.

Yours sincerely,
