Re: Rolling Hills Gravel Pit, File No. M-2023-040
Extension Request for 112c Construction Materials Application

On behalf of the Applicant M.A. Concrete Construction Inc., this letter is a request for an extension to allow more time to prepare responses to the Adequacy Review #1 Letter dated January 9, 2024 and provide information necessary to meet the adequacy requirements of the Office. According to Rule 1.4.1(9), the review time may be extended and the decision date reset, not to exceed three hundred and sixty-five (365) days from the date the application was filed. As the filing date is December 1, 2023, an extension is requested to move the decision due date to November 29, 2024.
