Robin,

Good talking with you today.

In response to your 12 Jan2024 Adq #3 letter, I've attached revised pages 3 – 16 (rev.2/2/24) for continuity as discussed.

Answers to your specific questions are as follows:

- We are going back to the original 4- 6" topsoil depth everywhere and in the attached PDF
- Section F v) page 9 says 4" – 6" topsoil
- Sequence should no be correct as pages 3 – 16 submitted as one PDF
- Town of Granby is not conducting any mining in the area under M2021001 as Sun River Run Resort is permit holder.

Hope this works. Please give me a call if there is more to discuss.
