**Re: Varra Resources Project 110 (formerly Dakolios Pit No. 1), File No. M-1984-036;  
Administrative action (AD-01), Adjustment of permit acres per TR-06**

Dear Mr. Varra:

Based on the revised Exhibit F and other information submitted with Technical Release Number 6 (TR-06), the Division has updated our Permit System to reflect a permit acreage value of 18.93 acres for Varra Resources Project 110. We accomplished this with administrative action, AD-01.

The information that you and Jennifer Vecchi provided with TR-06 was sufficient to illustrate that an administrative error was made in the past, namely our system had 120.00 acres as the permit area when it should have been 102.56 acres. This error was carried forward after bond release actions, and the recent permit area was incorrectly reported as 36.37 acres.

If you have any questions, please contact me by telephone at (720) 601-2276, or by email at Rob.zuber@state.co.us.

Sincerely,
