Hi Jocelyn,

Please see the attached request to extend the decision date for the Summit Brick and Tile Company Edmundson Clay Mine from February 29, 2024 to April 1, 2024 as we discussed. This will allow adequate time to complete the mine inspection, as current weather has made travel to the mine hazardous and not feasible.

Please let me know if you would like a hard copy and I will get it in the mail.

Thanks,

Julie Welte, PE

MLRB Permit #M-1985-203

Dear Ms. Carter,

I am requesting an extension of the decision date from Thursday, February 29, 2024 to Monday, April 1, 2024 to allow additional time for us to complete the mine inspection. Recent snow and weather have made travel to the mine hazardous and not possible.

Thank you for your help and if you have any further questions or comments, please feel free to contact me on my cell phone at (719) 251-0450 or at work at (303) 592-7080.

Sincerely,
