Hi, Ben -

Can you give me a status report regarding your fourth quarter reports for the Keenesburg Strip Mine? I am curious about the pond report and the weed/pest report.

Thanks. I hope you are doing well.

Hi, Ben.

My Google Email system asked me if I wanted to follow up on this, and I thought "why not?"

Any news on these reports?

Also, is your Annual Reclamation and Hydrology report looking like it will be submitted on time?

Thanks,
Rob

I will submit them today. My (and the whole company) was down Friday and most of the weekend.

The annual report will be ready by end of Feb, it will be short and sweet!

Thanks for the reminders. I am also printing out the past 3 years of pond inspections and Pest reports to take out. Finally, the new batteries for the gate have come in. That is why the gate is open, the batteries finally died after years and years.

Ben
