**Re: Young Ranch Resources Quarry, Permit No. M-2021-009, Technical Revision No. 2
(TR-02) Approval**

Dear Mr. Langenfeld:

On February 14, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) approved the Technical Revision (TR-02) application submitted to the Division on January 17, 2024, addressing the following:

Updating the wildlife management plan in the permit.

The terms of Technical Revision No. 02 approved by the Division are hereby incorporated into Permit No. M-2021-009. All other conditions and requirements of Permit No. M-2021-009 remain in full force and effect.

The Division finds the currently held financial warranty of \$330,461.00 sufficient to reclaim the site in accordance with the approved reclamation plan. No additional financial warranty is required at this time.

If you require additional information or have questions or concerns, please feel free to contact me by phone at (303) 866-3567, ext. 8147, or by email at joel.renfro@state.co.us.

Sincerely,

Joel Renfro
Environmental Protection Specialist
