Good Afternoon Ken,

We are looking to schedule the next shot at RCQ on Thursday, February 22, 2024. We will be doing this shot between the permit hours of 8 am to 3 pm, I am estimating that we will be putting it off around 12 pm pending weather and or mechanical issues. I will be contacting you an hour before shot time so that you may prepare for the blast. This shot will be on Bench 5 near the North end of that bench.

Should anyone have any questions please feel free to contact me.
