**Re: Greeley West Pit - File No. M-1977-081;
DRMS inspection December 2023 – Resolution of problems with mining and reclamation plans**

Dear Mr. Hart:

The Division received your response to Compliance Problems cited in the Division's report from the inspection that was conducted on December 19, 2023. The status of the corrective actions regarding the cited problems are as follows:

Compliance Problem, General Compliance with Mine Plan: The current mine plan needs to be updated and clarified.

This problem is considered to be resolved as a result of the technical revision that you submitted on February 18, 2024.

Compliance Problem, General Compliance with Mine Plan: The current reclamation plan needs to be updated and clarified.

This problem is considered to be resolved as a result of the technical revision that you submitted on February 18, 2024.

If you have any questions, please contact me by telephone at (720) 601-2276 or by email at Rob.zuber@state.co.us.

Sincerely,

Robert D. Zuber, P.E.
Environmental Protection Specialist
