Mike,

Per our conversation, below are some maps of both the DCP lines (BLUE 3in and 8in) and the abandoned flowlines to the P&A'd Flatirons I36-4 and Flatirons 1-36 (BLACK lines).

I show the **FLATIRONS 1-36** and the **FLATIRONS I 36-4** were abandoned in place.

First Image is from 2016 while the facility still existed. DCP had a 3-inch line to our facility shown in blue.

This image is from July 2023.

DCP has an 8 inch and a 3 inch line shown in blue just north and west of the old **FLATIRONS I 36-4** well.

DCP Contact – Nick Hagenlock (303) 829-4837

Let me know if you have any more questions.

Thanks,

**Tyler Beavers**

Land Representative
