**Technical Revision 163 (TR-163)**  
**East Pit As-Built**

Dear Mr. Trujillo,

Tri-State Generation and Transmission Association Inc. (Tri-State), is the parent company to Axial Basin Coal Company, which is the general partner to Colowyo Coal Company L.P. (Colowyo). Therefore, Tri-State on behalf of Colowyo is submitting technical revision 163 (TR-163) to Permit No. C-1981-019. TR-163 provides as-builts for the EP1, EP2, EP3 stock ponds and the Section 15 Pond.

Included in this technical revision is a change of index sheet to ease incorporation of this revision into the permit document, and a public notice for the Division's review. If you should have any additional questions or concerns, please feel free to contact Tony Tennyson at (970) 824-1232 or at [tennyson@tristategt.org](mailto:tennyson@tristategt.org).

Sincerely,
