To: Amber Gibson - DNR <amber.gibson@state.co.us>

Amber,

I have fixed and seeded the rills in the pit. The high wall is now sloped and seeded, with 2 water bars on it to prevent rilling. The upper area is top soiled and seeded. The North East boundary marker has been moved.

North East Boundary 37°07'22"N 104°46'21"W
