Curt,

Received, thank you. The decision date for the Technical Revision (TR2) has been extended to Monday, April 22, 2024.

The structures agreement requirement is related to the Successor of Operator (SO1) application. The due date for this revision is separate from the Technical Revision application. The decision date for the SO1 incompleteness items, including the structures agreement, is April 29, 2024.

Kind regards,

Hunter Ridley (she/her/hers)
